

**Tell Congress to STOP!**  
**Don't Kill Our Wild Horses and Burros**

**Congress is voting to approve the 2018 Budget which will kill 46,000 wild horses and burros in captivity and thousands more on our public lands.**

**Tell your Representatives and Senators you don't want our wild horses and burros killed or sterilized, you want them to remain free on our public lands.**

**Call them today, or set up a meeting with them. Your voice can and will make a difference.**
